

WORKING FOR YOU

CONGRESSMAN CHRIS VAN HOLLEN

I am honored to have the opportunity to represent our community in Congress. Every session, Congress considers action on the economy, jobs, health care, education, national security, immigration, energy, and many other matters that are important to you. I welcome your input on the various issues that come before the U.S. House of Representatives.

In the 112th Congress, I will be serving as Ranking Member on the Committee on the Budget. Our nation faces significant challenges, and I will be working to ensure that our federal budget reflects our national priorities and values and is fiscally responsible.

If you have a question, opinion, or problem to share with me, please do not hesitate to call, write, or email any of my offices (addresses listed on the back). I want to hear about your experiences and how legislation affects you and your family.

I look forward to hearing from you.
